

## Networking

ADI intends to offer a business meeting and training space that will lead to business collaborations, business opportunities and foment the business culture.

### Conferences and training held:

#### [The Future of Europe Summit](#)

ADI organized for four years the The Future of Europe Summit (2006-2009), an economic congress.

#### [Best Business Practices Conference](#)

In 2007 the OIE (currently ADI) organised a training course aimed at business entrepreneurs.

#### [Workshop on the challenge of Brainpower in Andorra](#)

Day to analyse the conclusions of the Future of Europe Summit 2007 and apply these to Andorra
